

Playford Alive Initiatives Fund (PAIF)

Frequently Asked Questions

The Playford Alive Initiatives Fund has been designed to encourage as many local groups / organisations as possible to apply for funding to ensure that the Fund makes maximum contribution to the local community.

Below is a sample of questions you may ask:

Q Who can apply?

All local groups, schools and non-government organisations are eligible, provided that you are:

- Legally constituted as an incorporated association and non-government organisations (NGO's) or;
- If your group is not legally constituted, you have an incorporated organisation that will take legal and financial responsibility for any grant monies received.

Q Does your group have to be located within the Playford Alive project area to apply?

Organisations and community groups are invited to apply for grants to support community initiatives that make a positive contribution to the Playford Alive community. While applicants themselves may be located outside the Playford Alive project area, the initiative and its participants must be based within the Playford Alive boundary.

Q Is there a limit to the amount of funding that a group / organisation can apply for?

Yes.

The PAIF Board has allocated a total of \$ \$50,000 per annum to fund projects.

As an indication, the anticipated maximum amount of individual grants during the annual grant round is \$10,000, however, applications for a greater amount may be considered on merit.

Applicants applying for small grants, outside of the grant round, can apply for a maximum of \$2,500.

Q Does the Fund expect some form of contribution from an applicant?

Yes.

One strong principle of the Fund is that any group / organisation applying must also provide some form of contribution for matching funding (either cash or in-kind), equal to the amount for which they have applied. The contribution may be volunteer input – such as the time volunteers spend working on behalf of the group, or funds that have already been raised towards the project.

Q Who will assess the applications?

The Playford Alive Initiatives Fund Board will assess and determine all submitted applications and allocated funds to successful applicants.
